

## Suprep Bowel Prep Instructions

You will need to do a bowel prep to prepare for your procedure.

### The days/week(s) before your procedure:

- Pick up the following items from the store/pharmacy of your choice:
  - Suprep bowel prep kit (prescription will be sent to your pharmacy)
  - Clear liquids (please see box of approved clear liquids on next page)
  - Tucks Wipes- (Optional)
- Arrange for an adult to pick you up and drive you home after the procedure, as you will be under the effects of anesthesia.
- Discontinue aspirin 5 days prior to your procedure.

### The day before your procedure:

- **Morning:** You will need to be on a CLEAR LIQUID DIET FOR THE ENTIRE DAY BEFORE THE PROCEDURE, which means ***no solid food for the entire day.*** (Note: Please disregard instructions on box stating you may have a light breakfast that day.)
  - You may take your daily medications (except aspirin) as normal.
- **4:00 PM (or 5 PM if you have to work later):** You will drink the 1<sup>st</sup> bottle of prep from your kit, and follow it with 16 oz. of clear liquids x 2.
  - You may dilute the bottle of prep liquid, following the instructions on the front of the box.
- **10:00 PM** You will need to drink the 2<sup>nd</sup> bottle of prep from your kit, and follow it with 16 oz. of water x 2.
- **Midnight:** Nothing else to eat or drink, ***including water.***

### The day of your procedure:

- Arrive to the surgical center one (1) hour prior to your scheduled procedure. Do not eat or drink anything (water included) until your test is over.
- Bring your medications to the surgery center with you, so that a nurse may help you take them after your procedure.
- You may resume your normal diet, medications (aspirin included) and activities as tolerated once your procedure is completed.

**Acceptable Liquid Options:**

(**NOTHING** colored **red or purple** in any of the options listed below)
